

**PROMISSORY NOTE**  
(One-Month LIBO Rate, Adjusted Monthly)

\$102,000,000.00

January 17, 2018

1. **PROMISE TO PAY.** FOR VALUE RECEIVED, the Delaware limited partnership ("**Borrower**"), promises to pay to the order of **WELLS FARGO BANK, NATIONAL ASSOCIATION**, a national banking association ("**Lender**"), via wire transfer at the Minneapolis Loan Center, 608 2nd Avenue South, 11th Floor, Minneapolis, MN 55402-1916, or by such other means or at such other places as may be designated in writing by Lender, the principal sum of ONE HUNDRED TWO MILLION AND NO/100 DOLLARS (\$102,000,000.00) or so much thereof as may from time to time be owing under this Promissory Note (this "**Note**") by reason of advances by Lender to or for the benefit or account of Borrower, with interest thereon, per annum, at one or more of the Effective Rates (as hereinafter defined) calculated in accordance with the terms and provisions of the Interest Rate Agreement attached hereto as Exhibit A (based on a 360-day year and charged on the basis of actual days elapsed). All sums owing hereunder are payable in lawful money of the United States of America, in immediately available funds without offset, deduction or counterclaim of any kind.

Various terms not otherwise defined herein are defined and described as follows:

"**Business Day**" means: (a) for all purposes other than as set forth in clause (b) below, any day, except a Saturday, Sunday or any other day on which commercial banks in New York, New York are authorized or required by law to close; and (b) with respect to the determination of any LIBO Rate (as defined in the Interest Rate Agreement attached hereto as Exhibit A), any day that is a day for trading by and between banks in Dollar deposits in the London interbank market.

"**Loan Agreement**" is that certain Construction Loan Agreement dated of even date with this Note between Borrower and Lender, as the same may be amended, modified, supplemented or replaced from time to time.

"**Loan Documents**" are the documents defined as such in the Loan Agreement.

2. **PAYMENTS.** Interest accrued on this Note shall be due and payable on the first (1<sup>st</sup>) Business Day of each month commencing with the first (1<sup>st</sup>) month after the date of this Note ("**Due Date**"). In the event the Maturity Date is extended pursuant to the Second Option to Extend set forth in the Loan Agreement, then commencing on the Due Date of the first month after the commencement of the Second Option to Extend and continuing on each Due Date thereafter until the Second Extended Maturity Date, Borrower shall pay a monthly payment of principal (the "**Monthly Principal Installment**") each month in an amount equal to the average of the principal portion of the monthly amortization payment on the then outstanding principal of the Loan that would be repaid over the first twelve (12) months of a thirty (30) year mortgage amortization schedule, calculated using a per annum interest rate equal to six percent (6.0%), which Monthly Principal Installments shall be in addition to the monthly payments of accrued interest due and payable under the Note on each such date, and all remaining unpaid principal and accrued interest shall be due and payable in full on the Second Extended Maturity Date.
3. **MATURITY DATE.** The outstanding principal balance of this Note, together with all accrued and unpaid interest, shall be due and payable in full on July 17, 2021 ("**Maturity Date**"), as such Maturity Date may be extended pursuant to the terms and conditions set forth in the Loan Agreement. Principal amounts outstanding hereunder, upon which repayment obligations exist and interest accrues, shall be determined by the records of Lender, which shall be deemed to be conclusive absent manifest error.
4. **SECURED NOTE.** This Note is secured by, among other things, a Mortgage, Assignment of Rents and Leases, Security Agreement and Fixture Filing dated of even date with this Note, executed by Borrower, as Mortgagor, for the benefit of Lender, as Beneficiary, and recorded or to be recorded in the Suffolk County (Massachusetts) Registry of Deeds (as the same may be amended, modified, supplemented or replaced from time to time, the "**Security Instrument**") and the other Loan Documents.

5. **DIRECT DEBIT.** In order to assure timely payment to Lender of accrued interest, principal, fees and late charges due and owing under the Loan (as defined in the Loan Agreement) evidenced by this Note, Borrower hereby irrevocably authorizes Lender to directly debit Borrower's Account (as defined in the Loan Agreement) for payment when due of all such amounts payable to Lender. Borrower represents and warrants to Lender that Borrower is the legal owner of said account. Written confirmation of the amount and purpose of any such direct debit shall be given to Borrower by Lender not less frequently than monthly. In the event any direct debit hereunder is returned for insufficient funds, Borrower shall pay Lender upon demand, in immediately available funds, all amounts and expenses due and owing to Lender.
6. **LATE CHARGE.** If any installment of interest or principal payment required hereunder (other than that due on the Maturity Date) is not received by Lender (whether by direct debit or otherwise) on or before the fifteenth (15<sup>th</sup>) calendar day following the first (1st) Business Day of the month (regardless of whether the fifteenth (15<sup>th</sup>) day falls on a Saturday, Sunday or legal holiday) in which it becomes due, Borrower shall pay, at Lender's option, a late or collection charge equal to five percent (5%) of the amount of such unpaid payment ("**Late Charge**").
7. **PREPAYMENT.** Borrower may prepay the Loan in whole or in part, at any time upon prior written notice to Lender. No prepayment premium shall be payable by Borrower, but in addition to all other amounts otherwise due and owing under the Loan Documents, Borrower shall pay any LIBO Rate Price Adjustment (as hereinafter defined) and/or (ii) any amounts due and owing under any Swap Agreement(s) (as defined in the Loan Agreement) between Borrower and Lender, including any early termination charges associated therewith.
8. **DEFAULT RATE.** From and after the Maturity Date, or such earlier date on which a Default (as defined in the Loan Agreement) exists under the Loan Agreement or under any of the other Loan Documents, then at the option of Lender, all sums owing on this Note shall bear interest at a rate per annum equal to five percent (5%) in excess of the interest rate otherwise accruing under this Note ("**Default Rate**"). To the extent permitted by law, the Default Rate shall apply both before and after any judgment on the indebtedness evidenced by this Note.
9. **ACCELERATION.** If: (a) Borrower shall fail to pay when due any sums payable hereunder following receipt of any notice and expiration of any cure period provided for in the Loan Agreement; or (b) upon the occurrence of any Default, as defined in any one or more of the Security Instrument, Loan Agreement, any other Loan Document, any Other Related Document, or any obligation secured by any of the foregoing, which Default is not cured within the applicable grace period, if any; **THEN** Lender may, at its sole option, declare all sums owing under this Note immediately due and payable; **provided, however,** that if any document related to this Note provides for automatic acceleration of payment of sums owing hereunder, all sums owing hereunder shall be automatically due and payable in accordance with the terms of that document.
10. **MISCELLANEOUS.**
  - 10.1 **Notices.** All notices or other communications required or permitted to be given pursuant to this Note shall be given to the parties at the address and in the manner provided for in the Loan Agreement, except as otherwise provided herein.
  - 10.2 **Waiver of Right to Trial by Jury.** TO THE EXTENT PERMITTED BY APPLICABLE STATE LAW, EACH PARTY TO THIS NOTE HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (a) ARISING UNDER THE LOAN DOCUMENTS, INCLUDING, WITHOUT LIMITATION, ANY PRESENT OR FUTURE MODIFICATION THEREOF OR (b) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THE LOAN DOCUMENTS (AS NOW OR HEREAFTER MODIFIED) OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HERewith, OR THE TRANSACTIONS RELATED HERETO OR THERETO, IN EACH CASE WHETHER SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION IS NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY PARTY TO THIS NOTE MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF

**THE CONSENT OF THE PARTIES HERETO TO THE WAIVER OF ANY RIGHT THEY MIGHT OTHERWISE HAVE TO TRIAL BY JURY.**

- 10.3 **Waiver.** Except as otherwise provided, Borrower waives presentment; demand; notice of dishonor; notice of default or delinquency; notice of acceleration; notice of protest and nonpayment; notice of costs, expenses or losses and interest thereon; notice of late charges; and diligence in taking any action to collect any sums owing under this Note or in proceeding against any of the rights or interests in or to properties securing payment of this Note.
- 10.4 **Time.** Time is of the essence of each and every term herein.
- 10.5 **Governing Law and Consent to Jurisdiction.** This Note and any claim, controversy or dispute arising under or related to this Note, the relationship of the parties, and/or the interpretation and enforcement of the rights and duties of the parties will be governed by, and construed and enforced in accordance with, the laws of the State of Texas without regard to any conflicts of law principles, except to the extent preempted by federal laws. Borrower and all persons and entities in any manner obligated to Lender under the Loan Documents consent to the jurisdiction of any federal or state court within the State of Texas having proper venue and also consent to service of process by any means authorized by Texas or federal law.
- 10.6 **Commercial Use; Maximum Rate Permitted By Law.** Borrower hereby represents that this loan is for commercial use and not for personal, family or household purposes. It is the specific intent of Borrower and Lender that this Note bear a lawful rate of interest, and if any court of competent jurisdiction should determine that the rate herein provided for exceeds that which is statutorily permitted for the type of transaction evidenced hereby, the interest rate shall be reduced to the highest rate permitted by applicable law, with any excess interest heretofore collected being applied against principal or, if such principal has been fully repaid, returned to Borrower on demand.
- 10.7 **Lender's Damages.** Borrower recognizes that its default in making any payment as provided herein or in any other Loan Document as agreed to be paid when due, or the occurrence of any other Default hereunder or under any other Loan Document, will require Lender to incur additional expense in servicing and administering the Loan, in loss to Lender of the use of the money due and in frustration to Lender in meeting its other financial and loan commitments and that the damages caused thereby would be extremely difficult and impractical to ascertain. Borrower agrees (a) that an amount equal to the Late Charge plus the accrual of interest at the Default Rate is a reasonable estimate of the damage to Lender in the event of a late payment, and (b) that the accrual of interest at the Default Rate following any other Default is a reasonable estimate of the damage to Lender in the event of such other Default, regardless of whether there has been an acceleration of the loan evidenced hereby. Nothing in this Note shall be construed as an obligation on the part of Lender to accept, at any time, less than the full amount then due hereunder, or as a waiver or limitation of Lender's right to compel prompt performance.
- 10.8 **Joint and Several Liability.** If this Note is executed by more than one person or entity as Borrower, the obligations of each such person or entity shall be joint and several. No person or entity shall be a mere accommodation maker, but each shall be primarily and directly liable hereunder.
- 10.9 **Defined Terms.** Unless otherwise defined herein, capitalized terms used in this Note shall have the meanings attributed to such terms in the Loan Agreement.
- 10.10 **Use of Singular and Plural; Gender.** When the identity of the parties or other circumstances make it appropriate, the singular number includes the plural, and the masculine gender includes the feminine and/or neuter.
- 10.11 **Exhibits, Schedules and Riders.** All exhibits, schedules, riders and other items attached hereto are incorporated into this Note by such attachment for all purposes.

10.12 **Inconsistencies.** In the event of any inconsistencies between the terms of this Note and the terms of any of the other Loan Documents related to the Loan, the terms of the Loan Agreement shall prevail.

10.13 **INTEGRATION; INTERPRETATION.** THIS NOTE AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES. THIS INSTRUMENT MAY BE AMENDED ONLY BY AN INSTRUMENT IN WRITING EXECUTED BY THE PARTIES HERETO.

10.14 **INTEREST PROVISIONS.**

- (a) **Savings Clause.** It is expressly stipulated and agreed to be the intent of Borrower and Lender at all times to comply strictly with the applicable Texas law governing the maximum rate or amount of interest payable on this Note or the Related Indebtedness (or applicable United States federal law to the extent that it permits Lender to contract for, charge, take, reserve or receive a greater amount of interest than under Texas law). If the applicable law is ever judicially interpreted so as to render usurious any amount (i) contracted for, charged, taken, reserved or received pursuant to this Note, any of the other Loan Documents or any other communication or writing by or between Borrower and Lender related to the transaction or transactions that are the subject matter of the Loan Documents, (ii) contracted for, charged or received by reason of Lender's exercise of the option to accelerate the maturity of this Note and/or the Related Indebtedness, or (iii) Borrower will have paid or Lender will have received by reason of any voluntary prepayment by Borrower of this Note and/or the Related Indebtedness, then it is Borrower's and Lender's express intent that all amounts charged in excess of the Maximum Lawful Rate shall be automatically canceled, ab initio, and all amounts in excess of the Maximum Lawful Rate theretofore collected by Lender shall be credited on the principal balance of this Note and/or the Related Indebtedness (or, if this Note and all Related Indebtedness have been or would thereby be paid in full, refunded to Borrower), and the provisions of this Note and the other Loan Documents immediately be deemed reformed and the amounts thereafter collectible hereunder and thereunder reduced, without the necessity of the execution of any new document, so as to comply with the applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder and thereunder; provided, however, if this Note has been paid in full before the end of the stated term of this Note, then Borrower and Lender agree that Lender shall, with reasonable promptness after Lender discovers or is advised by Borrower that interest was received in an amount in excess of the Maximum Lawful Rate, either refund such excess interest to Borrower and/or credit such excess interest against this Note and/or any Related Indebtedness then owing by Borrower to Lender. Borrower hereby agrees that as a condition precedent to any claim seeking usury penalties against Lender, Borrower will provide written notice to Lender, advising Lender in reasonable detail of the nature and amount of the violation, and Lender shall have 60 days after receipt of such notice in which to correct such usury violation, if any, by either refunding such excess interest to Borrower or crediting such excess interest against this Note and/or the Related Indebtedness then owing by Borrower to Lender. All sums contracted for, charged or received by Lender for the use, forbearance or detention of any debt evidenced by this Note and/or the Related Indebtedness shall, to the extent permitted by applicable law, be amortized or spread, using the actuarial method, throughout the stated term of this Note and/or the Related Indebtedness (including any and all renewal and extension periods) until payment in full so that the rate or amount of interest on account of this Note and/or the Related Indebtedness does not exceed the Maximum Lawful Rate from time to time in effect and applicable to this Note and/or the Related Indebtedness for so long as debt is outstanding. In no event shall the provisions of Chapter 346 of the Texas Finance Code (which regulates certain revolving credit loan accounts and revolving triparty accounts) apply to this Note and/or the Related Indebtedness. Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, it is not the intention of Lender to accelerate the maturity of any interest that has not accrued at the time of such acceleration or to collect unearned interest at the time of such acceleration.

- (b) Definitions. As used herein, the term "Maximum Lawful Rate" shall mean the maximum lawful rate of interest which may be contracted for, charged, taken, received or reserved by Lender in accordance with the applicable laws of the State of Texas (or applicable United States federal law to the extent that it permits Lender to contract for, charge, take, receive or reserve a greater amount of interest than under Texas law), taking into account all Charges (as herein defined) made in connection with the transaction evidenced by this Note and the other Loan Documents. As used herein, the term "Charges" shall mean all fees, charges and/or any other things of value, if any, contracted for, charged, received, taken or reserved by Lender in connection with the transactions relating to this Note and the other Loan Documents, which are treated as interest under applicable law. As used herein, the term "Related Indebtedness" shall mean any and all debt paid or payable by Borrower to Lender pursuant to the Loan Documents or any other communication or writing by or between Borrower and Lender related to the transaction or transactions that are the subject matter of the Loan Documents, except such debt which has been paid or is payable by Borrower to Lender under this Note.
- (c) Ceiling Election. To the extent that Lender is relying on Chapter 303 of the Texas Finance Code to determine the Maximum Lawful Rate payable on this Note and/or the Related Indebtedness, Lender will utilize the weekly ceiling from time to time in effect as provided in such Chapter 303, as amended. To the extent United States federal law permits Lender to contract for, charge, take, receive or reserve a greater amount of interest than under Texas law, Lender will rely on United States federal law instead of such Chapter 303 for the purpose of determining the Maximum Lawful Rate. Additionally, to the extent permitted by applicable law now or hereafter in effect, Lender may, at its option and from time to time, utilize any other method of establishing the Maximum Lawful Rate under such Chapter 303 or under other applicable law by giving notice, if required, to Borrower as provided by applicable law now or hereafter in effect.

**EXHIBIT A - INTEREST RATE AGREEMENT**

Exhibit A to Promissory Note ("**Note**") made \_\_\_\_\_, a Delaware limited partnership ("**Borrower**") to the order of **WELLS FARGO BANK, NATIONAL ASSOCIATION** (collectively with its successors or assigns, "**Lender**") dated as of January 17, 2018.

**RECITALS**

Borrower has requested and Lender has agreed to provide the option to fix the rate of interest for specified periods on specified portions of the outstanding principal balance as a basis for calculating the Effective Rate on such portions of the principal amounts owing under the Note ("**One-Month LIBO Rate Option**"). Borrower understands: (i) the process of exercising the One-Month LIBO Rate Option as provided herein; (ii) that amounts owing under the Note may bear interest at different rates and for different time periods; and (iii) that absent the terms and conditions hereof, it would be extremely difficult to calculate Lender's additional costs, expenses, and damages in the event of a Default or prepayment by Borrower hereunder. Given the above, Borrower agrees that the provisions herein (including, without limitation, the LIBO Rate Price Adjustment defined below) provide for a reasonable and fair method for Lender to recover its additional costs, expenses and damages in the event of a Default or prepayment by Borrower.

2. **RATES AND TERMS DEFINED.** Various rates and terms not otherwise defined herein or in the Note are defined and described as follows:

"**Calculated Interest Rate**" is the rate of interest equal to the sum of: (a) the Spread, plus (b) the LIBO Rate.

"**Effective Rate**" is the rate of interest calculated in accordance with that certain Section hereof entitled **Effective Rate**.

"**LIBO Rate**" is the rate of interest per annum determined by Lender on the basis of the rate for United States dollar deposits for delivery on the first (1<sup>st</sup>) day of each LIBO Rate Period, for a period approximately equal to such LIBO Rate Period, as published by the ICE Benchmark Administration Limited, a United Kingdom company, at approximately 11:00 a.m., London time, two (2) Business Days prior to the first day of the LIBO Rate Period (or if not so published, then as determined by Lender from another recognized source or interbank quotation); *provided, however*, that if the LIBO Rate determined as provided above with respect to any LIBO Rate Period would be less than zero percent (0.00%), then the LIBO Rate for such LIBO Rate Period shall be deemed to be zero percent (0.00%). If the LIBO Rate is no longer being published by the ICE Benchmark Administration Limited, a United Kingdom company (or any successor thereto), as determined by Lender, then Lender shall select a replacement rate for the LIBO Rate, which replacement rate shall be that which is generally being implemented by Lender as a replacement for the LIBO Rate across Lender's commercial real estate portfolio (in its capacity as a lender) and is reasonably consistent, as determined by Lender in good faith, with the predominant rate being used by lenders making construction loans in the United States on a regular and recurring basis of approximately the same size (and on substantially the same terms) as the Loan, and from and after the date of Lender's selection of such replacement rate, such replacement rate shall replace the LIBO Rate for all purposes under the Note.

"**LIBO Rate Period**" is a period commencing on the first (1<sup>st</sup>) Business Day of a calendar month and continuing to, but not including, the first (1<sup>st</sup>) Business Day of the next calendar month.

"**LIBO Rate Portion**" is the principal balance of the Note which is subject to a Calculated Interest Rate.

"**Regulatory Costs**" are, collectively, future, supplemental, emergency or other increases in the Reserve Percentage or the FDIC assessment rates, or any other new or increased requirements or costs imposed by any domestic or foreign governmental authority to the extent that they are attributable to Lender having entered into the Loan Documents or the performance of Lender's obligations thereunder, or to the extent they are attributable to an increase in the regulatory risk weighting of the Loan, and which result in a reduction in Lender's rate of return from the Loan, Lender's rate of return on overall capital or any amount due and payable to Lender under

any Loan Document. Regulatory Costs shall not, however, include any requirements or costs that are incurred or suffered by Lender as a direct result of Lender's willful misconduct.

**"Reserve Percentage"** is at any time the percentage announced within Lender as the reserve percentage for the Loan under Regulation D, or other regulations from time to time in effect concerning reserves for Eurocurrency Liabilities, as defined in Regulation D, from related institutions as though Lender were in a net borrowing position, as promulgated by the Board of Governors of the Federal Reserve System, or its successor.

**"Spread"** shall mean two and seventy-five one-hundredths percent (2.75%).

**"Taxes"** as referred to herein, are, collectively, all withholdings, interest equalization taxes, stamp taxes or other taxes (except income and franchise taxes) imposed by any domestic or foreign governmental authority that are attributable to the Lender having entered into the Loan Documents or the performance of Lender's obligations thereunder.

3. **EFFECTIVE RATE.** Provided no Default exists under the Note or under any of the other Loan Documents, the **"Effective Rate"** upon which interest shall be calculated for the Note shall be one or more of the following:

3.1 **Initial Disbursement; Subsequent Disbursements.**

- (a) For the initial disbursement of principal under the Note ("Initial Disbursement"), the Effective Rate on such principal amount shall be the Calculated Interest Rate on the date of disbursement, as determined by Lender.
- (b) For any and all disbursements of principal under the Note made subsequent to the Initial Disbursement at any time, and from time to time, within the same calendar month as the Initial Disbursement ("Initial Month Subsequent Disbursements"), the Effective Rate on such principal amount(s) shall likewise be the Calculated Interest Rate applicable to the Initial Disbursement.
- (c) Such Effective Rate shall apply to the Initial Disbursement, and any Initial Month Subsequent Disbursements, from the respective dates of disbursement through and including the date immediately preceding the first (1<sup>st</sup>) Business Day of the next calendar month. On the first (1<sup>st</sup>) Business Day of such next calendar month, the Initial Disbursement, and any Initial Month Subsequent Disbursements, shall become the LIBO Rate Portion for purposes of calculation of the Effective Rate under that certain Section hereof entitled Reset of Effective Rate.
- (d) For any and all disbursements of principal under the Note made at any time, and from time to time, after the calendar month in which the Initial Disbursement was made, any such principal disbursed shall also be added to the LIBO Rate Portion for purposes of calculation of the Effective Rate under that certain Section hereof entitled Reset of Effective Rate.

- 3.2 **Reset of Effective Rate.** Commencing with the first (1<sup>st</sup>) Business Day of the first (1<sup>st</sup>) calendar month after the Initial Disbursement, and continuing thereafter on the first (1<sup>st</sup>) Business Day of each succeeding calendar month, the Effective Rate on the outstanding LIBO Rate Portion under the Note (i.e., all outstanding principal on such first (1<sup>st</sup>) Business Day) shall be reset to the Calculated Interest Rate, as determined by Lender on each such first (1<sup>st</sup>) Business Day.

- 3.3 **Requests.** Any written request by Borrower to Lender shall be delivered to Lender at the Minneapolis Loan Center, 608 2nd Avenue South, 11th Floor, Minneapolis, MN 55402-1916, with a copy to Lender at 1445 Ross Avenue, Suite 4800, Dallas, Texas 75202, Attention: Commercial Real Estate, Amanda Nelson, or at such other place as may be designated in writing by Lender.

Lender is authorized to rely upon the telephonic request and acceptance of Dawn Severt, David Reece or Cole Ferguson as Borrower's duly authorized agent(s), or such additional authorized agents as Borrower

shall designate in writing to Lender. Borrower's telephonic notices, requests and acceptances shall be directed to such officers of Lender as Lender may from time to time designate.

- 3.4 **Post-Maturity; Default Rate.** From and after the Maturity Date, or such earlier date on which a Default exists under the Loan Agreement or any of the other Loan Documents, THEN at the option of Lender, all sums owing on the Note shall bear interest at a rate per annum equal to the Default Rate. To the extent permitted by law, the Default Rate shall apply both before and after any judgment on the indebtedness evidenced by the Note.
4. **TAXES, REGULATORY COSTS AND RESERVE PERCENTAGES.** Within thirty (30) calendar days after Lender's demand, Borrower shall pay to Lender, in addition to all other amounts which may be, or become, due and payable under the Note and the other Loan Documents, any and all Taxes and Regulatory Costs. Lender shall give Borrower notice of any Taxes and Regulatory Costs as soon as practicable after their occurrence, but Borrower shall be liable for any Taxes and Regulatory Costs regardless of whether or when notice is so given. A certificate as to the amount of such Taxes and Regulatory Costs, submitted to Borrower by Lender, shall be conclusive and binding for all purposes, absent manifest error.
5. **LIBO RATE PRICE ADJUSTMENT.** Borrower acknowledges that prepayment or acceleration of a LIBO Rate Portion during a LIBO Rate Period shall result in Lender's incurring additional costs, expenses and/or liabilities and that it is extremely difficult and impractical to ascertain the extent of such costs, expenses and/or liabilities. Therefore, on the date a LIBO Rate Portion is prepaid or the date all sums payable hereunder become due and payable, by acceleration or otherwise ("**Price Adjustment Date**"), Borrower will pay Lender (in addition to all other sums then owing to Lender) an amount ("**LIBO Rate Price Adjustment**") equal to the then present value of (a) the amount of interest that would have accrued on the LIBO Rate Portion for the remainder of the LIBO Rate Period at the Calculated Interest Rate set on the first (1<sup>st</sup>) Business Day of the month in which such amount is prepaid or becomes due, less (b) the amount of interest that would accrue on the same LIBO Rate Portion for the same period if the Calculated Interest Rate were set on the Price Adjustment Date at the Calculated Interest Rate in effect on the Price Adjustment Date. The present value shall be calculated by using as a discount rate the Calculated Interest Rate quoted on the Price Adjustment Date.
6. **PURCHASE, SALE AND MATCHING OF FUNDS.** Borrower understands, agrees and acknowledges the following: (a) Lender has no obligation to purchase, sell and/or match funds in connection with the use of a Calculated Interest Rate as a basis for calculating an Effective Rate or LIBO Rate Price Adjustment; (b) a Calculated Interest Rate is used merely as a reference in determining an Effective Rate or a LIBO Rate Price Adjustment; and (c) Borrower has accepted a Calculated Interest Rate as a reasonable and fair basis for calculating an Effective Rate or a LIBO Rate Price Adjustment. Borrower further agrees to pay the LIBO Rate Price Adjustment, Taxes and Regulatory Costs, if any, whether or not Lender elects to purchase, sell and/or match funds.
7. **MISCELLANEOUS.** As used in this Exhibit, the plural shall mean the singular and the singular shall mean the plural as the context requires.

This Exhibit is executed under seal concurrently with and as part of the Note referred to and described first above.
